All of the Professionals at OslerBrook Golf and Country Club take great pride in our Junior program. We think of Junior golfers as the seeds that – with the right nurturing – will help us to grow this wonderful game for a lifetime.

We've developed exciting new programs for children to learn the basics needed to enjoy a day on the links and to help them develop as young athletes and good citizens. The golf course is the place for golf lessons as well as life lessons, like honesty, respect, integrity, sportsmanship and etiquette.
